

BAN GREYHOUND RACING

YOUR PETITIONERS REQUEST THAT THE HOUSE

calls on the government to

To the President and members of the Legislative Council Of New South Wales:

This petition notes that:

- Between **13,000 and 17,000 healthy young dogs are killed each year** by the greyhound racing industry in Australia.
- Up to **90% of trainers in NSW have participated in the barbaric practice of live baiting.**
- **The industry has failed to reform in any meaningful way** to stop the routine mistreatment of animals.
- **Dogs are being exported to jurisdictions with no animal welfare protections**, including Macau, where they are subject to poor living conditions, risk of serious injury and almost certain death.
- the greyhound racing industry is a **poor employment generator** and its continuation is inconsistent with the public interest.

- **ban all greyhound racing in NSW**
- use the assets currently held by the industry regulator to fund a Greyhound Racing Transition task force to **assist industry employees find new work and to facilitate the re-homing of dogs.**
- **prohibit the export of greyhounds** for racing or breeding purposes
