

NO PUBLIC MONEY FOR GREYHOUND RACING

The Coalition for the Protection of Greyhounds is organising a public rally to bring to the attention of the NSW public the **cruel** and **inhumane** industry of greyhound racing.

The rally will be held at 10am on Saturday 16 March in Sydney Park

Please note:

- Rally participants will gather in an area behind the old brick chimneys
- The most convenient parking is in the carpark on the western side of the park
- The entrance to this carpark is from the Princess Highway
- Rally participants are encouraged to wear anti-racing or greyhound rescue shirts and/or display anti-racing posters and banners
- Participants are also encouraged to bring their dogs regardless of breed
- Participants are reminded that non-Greenhound greys must be muzzled and all dogs must be on a lead
- If your dog is nervous, anxious or fearful of unfamiliar people, dogs or surroundings, it may be kinder to leave them at home

Any questions regarding the rally should be directed to our Sydney organiser, Dennis Anderson, via email at dennisanderson871@gmail.com

YOU BET THEY DIE
